

A bride and groom are walking down a tree-lined aisle at a wedding. The bride is wearing a white, off-the-shoulder lace wedding dress and a long veil, holding a large bouquet of flowers. The groom is wearing a blue suit and a white shirt. They are surrounded by guests in formal attire, some holding programs. The scene is set outdoors with trees in the background.

A Bit About Blurr

If we haven't met in person yet then HI!!!

My name is Elijah Clarke, Blurr is my freelance photography company. I live on Dja Dja Wurrung Country (Bendigo) with the most amazing wife, Emmaline. We have two amazing Toy Poodles named Dolly and Bella-Jane.

My biggest passion is photography. I've been photographing religiously ever since I bought my first camera in High-School. I started my own business working as a photographer in 2016, working within the music, wedding and event space.

I have an extensive background in photography, completing a Bachelor of Creative Media Arts in 2018, and a Master of Arts in 2022 (both majoring in photography). I enjoy working with a range of cameras, including Polaroid, Film and Digital. I would love to work with you, to document your special day in an authentic, beautiful and exciting way.

Hybrid Shooting Style

The difference between Film and Digital

It's no secret by now that I LOVE photography, you may have also noticed that I have mentioned a Hybrid Shooting Style in my packages. This means that while I will deliver a consistent album from your special day, I also will be shooting in two different ways.

Digital Photography

- Burst shooting style
- Low noise
- Amazing for low light

Film Photography

- Incredible Grain
- Great for portraits
- Exciting shooting experience

The best part is you don't have to choose!

You can be getting the best of both worlds, I will happily shoot with both of these methods in mind, changing them as needed.
